

Our less invasive procedures.

## Skin Tightening

An easily tolerated procedure that delivers radio-frequency (RF) energy into the collagen rich layers of the deep dermis to incite skin tightening. The results are cumulative and best results are achieved with 3 to 5 monthly treatments. RF treatments progressively softens fine lines and wrinkles while tightening and firming the skin.

**Face • Neckline**

**From \$475**

## Tight and Bright

This Signature treatment combines the brightening and buffing benefits of HydraFacial MD with a Radio-frequency (RF) skin tightening treatment. We start with our HydraFacial to exfoliate and uniformly hydrate your skin in preparation for your skin tightening procedure - True Synergy!

**Face • Face and Neckline**

**From \$595**

## All about Eyes

The Ultimate Anti-aging treatment for the Eyes:  
This Signature treatment combines a gentle peel specifically designed for the delicate eyelid skin to brighten and hydrate, followed by the skin tightening benefits of our RF Pelleve. We target crepe-y skin, fine lines and wrinkles of the eyelids, crows feet and brow. A brow lift and an instant pick me up to leave you looking bright eyed!

Add ons: Lymphatic Drainage • Eye Perk • Lip Perk • Skin Boosters

## Spring Skin Peel

This customized and unique Peel system combines the benefits of a gentle chemical Lactic acid peel with the mechanical Dermaplaning technique of exfoliation. Dermaplaning is a safe, comfortable technique of mechanical exfoliation with a sterile blade to remove dead skin cells and vellous hair (think peach fuzz) prior to, and enhancing the penetration of your Lactic peel. The Spring Skin Peel will leave your skin luminescent, hydrated and smooth as can be. This is a great pick me up peel for special occasions and will have you Red Carpet ready!

The following procedures require initial consultation with Dr vanVliet prior to scheduling

## Broad Band Light (BBL)

BBL is a medical grade photo-rejuvenation treatment that uses Light energy to Heal the skin. It diminishes sun-damage, fine lines, acne, enlarged pores as well as imparting significant colour correction to your skin. It targets reds (broken capillaries, rosacea) as well as browns (aging spots, pigment) while programming your skin cells to be younger. BBL therapy essentially reverses and slows down your skin aging!

**Minimal to no down time**

**From \$495**

## Spring Skin Glow

This Signature treatment combines the exfoliating, hydrating and enriching benefits of our HydraFacial MD with the Age defying and Colour correcting benefits of our BBL treatment. Instant glow meets Healing of your skin with Light energy!

**Minimal to no down time**

**From \$645**

## Injectables

Dr vanVliet performs all of her own injectables to ensure that your results will be harmonious, seamless and natural looking. Upon initial consultation she will tailor a treatment plan customized to your needs.

**Minimal to no down time**

## Cosmetic Skin Lesions

If you have a benign skin lesion that you find troublesome or unsightly, we can help! Upon your initial consultation, Dr vanVliet can determine the best treatment plan for you and will discuss associated risks and costs.

## Photo-dynamic Therapy (PDT)

This is one of the most powerful treatments to reverse the accumulated signs of sun damage. If you love the sun but have paid the price with dullness, skin roughenings, actinic keratoses, or worse yet, early skin cancers - this treatment is for you. This highly corrective procedure can reverse up to 75% of pre-cancerous skin lesions; the silver lining is that it also improves the look and feel of your skin. We can also intensify the benefits of your PDT with BBL light therapy to provide you with simultaneous colour correction.

**Social down-time: 5 - 7 days**

**From \$695**

## BBL Forever Clear (Acne)

This is a medical grade, non-pharmaceutical approach towards helping control and reduce acne flare ups. We use a combination of blue light to target and kill bacteria that cause acne, and red light to target vessels and inflammation associated with active acne.

**Treatment series of 6 sessions for \$1195**

## BBL Forever Bare

We use BBL light energy to safely and effectively reduce unwanted facial hair. The most commonly treated areas are the chin and upper lip.

**From \$495 for a series of 6 treatments**
