

Spring Skin Express Menu

Our Spring Skin Express menu includes our MedSpa services that are bio-stimulatory and rejuvenating, yet exact no downtime. No prior consultation is required to schedule these regenerative services. Simply call us at **250-931-9331** or email us at **info@springskin.ca** and we will help guide you towards your best treatment option!

We offer many other procedures at Spring Skin, including Light and Laser based treatments, injectables with HA fillers / neurotoxins, Surgery and Silhouette InstaLift threading. These services are nuanced and require prior consultation with Dr Deborah vanVliet.

Micro-Infusion Gold

Micro-Infusion Gold represents the newest generation of Micro-needling - but without the pain or the downtime. This elegant procedure uses tiny 24K gold tipped needles to penetrate the dermis to incite collagen synthesis while infusing it with potent anti-aging /anti-oxidant cocktails right where they're needed. Our medical grade cocktails are specifically tailored for your unique skin needs. This highly customizable treatment is suitable for all skin types. Your skin will be dewey hydrated, porcelain smooth and pore-less and will have you glowing for that very special occasion!

**Face, including Eyelids and Lips • Neckline and Decolletage
Combinations of any of the above**

HydraFacial MD

More than a Facial - this treatment brightens your skin and gives it an instant hydrated glow with no down-time. Hands down our HydraFacial MD has supplanted the need for dermabrasion with its pain and its down-time. It represents the next generation of more nuanced skin care, combining painless exfoliation, extractions and decongestion of your skin while infusing the skin with hydrating hyaluronic acid cocktails to leave your skin dewy and glowing. It is a highly customizable facial that can be tailored to all skin types including: sun-damaged, acne prone/ oily skin, rosacea or sensitive skin.

All about Eyes

The Ultimate Anti-aging treatment for the Eyes: This Signature treatment starts with a gentle peel specifically designed to brighten and hydrate the delicate skin of the eyelids. We then follow with targeted skin tightening with our RF Pelleve or BBL therapy to address darkness under the eyes. This medical grade Eye treatment will help improve discoloured, crepe-y eyelid skin, as well as fine lines and wrinkles. An instant pick me up that will leave you looking bright eyed!

Tight and Bright

This Signature treatment combines the brightening and buffing benefits of HydraFacial MD with a Radio-frequency (RF) skin tightening treatment. We start with our HydraFacial to exfoliate and uniformly hydrate your skin in preparation for your skin tightening procedure - a potent combination to tighten and instantly buff and brighten your skin

Skin Tightening

Deeply penetrating radio-frequency (RF) energy is delivered into the collagen rich layers of your skin's deep dermis to incite immediate and long-lasting skin tightening. This procedure is easily tolerated and safe for all skin colours, including sun-kissed / tanned skin. It provides an instant pick me up as a stand alone treatment and stacking treatments gives cumulative benefits of ongoing skin tightening and firming while progressively softening fine lines and wrinkles.

Spring Skin Peel

Our Spring Skin Peel combines the benefits of a gentle Lactic acid chemical Peel with the exfoliation benefits of mechanical Dermaplaning. Our highly trained staff use a sterile blade to safely and comfortably remove dead skin cells and unwanted vellous hair (peach fuzz) to leave your skin luminescent, hydrated and oh so smooth! A great pick me up for any occasion.

Minimal to no down-time
