

Aesthetic Services offered at Spring Skin

A wide variety of Regenerative, Aesthetic Services are offered at Spring Skin. Some of these services require prior consultation with our Plastic Surgeon, Dr Deborah vanVliet. These include our Light and Energy based treatments, Surgery and many of our Injectable procedures. To get started, simply schedule your initial consultation with Dr vanVliet through our online booking or by phone.

Spring Skin Express Menu

The Express menu is comprised of our Medical grade MedSpa services that are rejuvenating and yet exact no downtime. These Express Services require no prior consultation and can be booked directly on line for that quick pick me up!

HydraFacial MD

More than a Facial - this treatment brightens and buffs your skin to give you an instant hydrated glow! HydraFacial MD represents the next generation of painless dermabrasion and exacts no downtime. Your treatment starts with a gentle, hydrating chemical peel to exfoliate and then follows with painless extractions and decongestion of your skin. We finish with infusion of an anti-oxidant and hyaluronic acid rich cocktail into your skin. Our Deluxe and Clarifying HydraFacials are combined with the potent benefits of LED light therapy.

HydraFacials are highly customizable and can be tailored to all skin types, including acne prone, large pores, dull, wrinkled or aging skin.

- **Signature HydraFacial: \$199**
- **Clarifying HydraFacial: \$250**
- **Deluxe HydraFacial: \$325. Choose from:**
 - **RegenGF Collagen Booster**
 - **JLO Glow Booster**
 - **Acne Buster Booster**

Micro-Infusion Gold

Micro-Infusion Gold represents the newest generation of Micro-needling, but without the pain or downtime. This elegant procedure uses tiny Gold tipped needles to penetrate your skin's dermis to incite collagen formation while infusing it with potent regenerative, anti-oxidant rich cocktails. Our skin Boosting cocktails are highly customizable and tailored to your unique skin needs. They are suitable for all skin types, leaving your skin dewey hydrated, porcelain smooth and pore-less. A perfect glow for that very special occasion!

- **No down-time**
- **From \$695**

Hydra-Infusion Gold

Our Hydra-Infusion Gold treatment combines the exfoliating, hydrating and nourishing benefits of our HydraFacial MD peel treatment with a customized Micro-Infusion Gold skin Boosting treatment that is tailored to your skin needs. Its perfect synergy and will have your skin glowing, luminescent, pore-less and silky smooth for that special event.. or just because you're worth it!

- **No down-time**
- **From \$795**

Neurotoxin Injections

Dr vanVliet is an expert injector and she utilizes tiny injection needles to selectively relax muscles that contribute to facial fine lines and wrinkles. Bespoke treatment is tailored to your unique anatomy and needs, leaving you looking more relaxed and refreshed.

\$12/U. Cost TBD at time of treatment session.
